Vilius BENETIS (NRD CIRT)

#FIRSTCON23

35<sup>TH</sup>  
ANNUAL  
FIRST  
CONFERENCE

**MONTREAL**

JUNE 4-9, 2023

# About the Automation SIG

- Establish a **forum** for exchanging best practices in **Incident Response (IR) automation**.
- Develop a comprehensive **best practices document** for automation in IR.
- Create a curated list of **automation tools** for IR and their specific focus areas.
- Details & SIG bylaws: <https://www.first.org/global/sigs/automation>

# Activities

- Monthly SIG calls
- Presentations of Automation tools, standards (CACAO, ...), SOARs, etc.
- Initial Best Common Practices Document:  
<https://stage.first.org/global/sigs/automation/bcp-guide/>
- Development model: github (develop, stage, main- branches)
- Solid template for describing use-cases and tools (thx to Braxton)
- Beta-Release of the BCP guide.
- Survey coming (thx to Razvan): which tools are in use in Automation?

# Membership (status)

- **Audience:**  
Anyone interested in IR Automation
- **Current membership:**  
82 members
- **Requirements:**
  - Dedicate some time to participate, add your use-cases and tools
