# THINGS TO DO

## NEWTOWN SQUARE

Newtown Square is located less than one hour outside of **Philadelphia** and this is where you'll find the North American headquarters of SAP. We are lucky in that we are very close to many restaurants, parks, and shops.

Now owning the distinction as the largest winery in Pennsylvania, the **Chaddsford Winery** is nestled in the heart of the scenery that at painter Andrew Wyeth made famous. International awards, such as the Tasters Guild International Wine Competition Gold Medal, keep piling in for the husband-and wife owners, who can quite rightly boast about all of their premium varieties, with special emphasis on their Chardonnay, Pinot Noir, and spiced apple wine.

A short trip down the road, you can stroll along the many paths of **Longwood Gardens**. Enjoy acres of exquisitely maintained grounds featuring 11,000 different types of plants. This conservatory is a lush world of exotic flowers, cacti, bromeliads, ferns, and bonsai.

If you are looking for a little adventure, head on over to **iFLY Indoor Skydiving** in King of Prussia. Experience the thrill of skydiving without having to jump out of a plane.

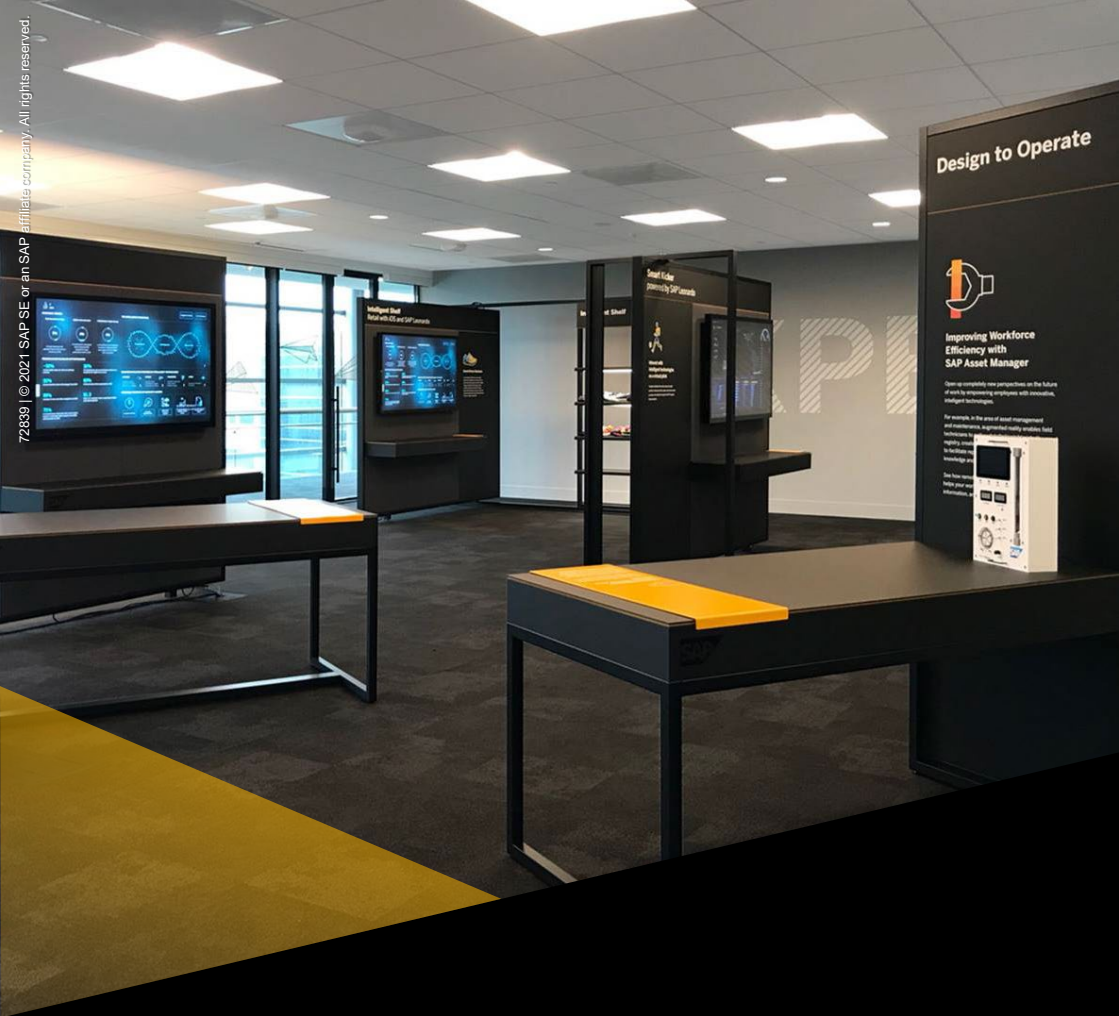

Make sure you stop at the country's third-largest mall – the **King of Prussia Mall**. You'll find everything you need (and probably a few things you don't) at this one-stop shopping extravaganza.

### HIGHLIGHTS:

- King of Prussia Mall
