

Cyber Insurance SIG

What we did so far

SIG in General

- Release of the Anti-Trust Statement
- Interface for CERTs and Cyber (Re-)Insurers to talk and exchange
- Organization of Webinars to connect CERTs and Cyber (Re-)Insurers

Cyber Insurance

- Discussions on language gaps between insurance and security industry
- Discussions on possible conflicting interests when it comes to incident response
- Latest developments within the cyber insurance space (e.g., war exclusion)

Metrics

- Regular discussions of data sources for cyber risk

Webinars held within the last year

An Adversarial Viewpoint To Identify High Value Targets For Increased Cyber Resilience

Francesco (Standard Chartered Bank)

September

The daily work as a cyber insurance broker

Algina and Marie-Louise (Aon)

November

December

Cyberinsurance Policy: Rethinking Risk in an Age of Ransomware, Computer Fraud, Data Breaches, and Cyberattacks

Josephine (Tufts University)

Thank You
